JO MALONE LONDON

SCARLET POPPY

From poppies in the golden fields of England to the wild steppes of Asia, home of the great scarlet poppy. This ravishing scent has been inspired by its extravagant blooms, and amplified by velvety iris. Barley and tonka bean add a double hit of sweet decadence while a burst of succulent fig draws us into this opulent and moreish fragrance

H.I.M-isty

Acai Berry Beard & Face Cleanser

H.I.M. (Healthy Image Men) is the perfect abbreviation for this unique men's hair, beard, and skin products source. Originating in a high-end men's spa, H.I.M. specialized in haircuts, hot towel shaves, skin care treatments, and associated products. Since the South Florida market has a mixed demographic with varying skin textures and nuances, the company thrived by providing services designed to accommodate each of them.

MERLE NORMAN

Anti-Aging Complex

Advanced anti-aging moisturizer delivers essential ingredients to rejuvenate and nurture skin.

This antioxidant rich formula utilizes Green Coffee to help improve skin elasticity, and an effective humectant to increase hydration leaving skin softer, smoother, and more comfortable for hours.

Innovative Pro-Svetyl® and Matrixyl® Synthe™ work together for an overall healthier and firmer looking appearance targeting bumpy, red and uneven skin.

\$43-\$100

MERLE NORMAN LIMITED EDITION

In the 1930's Merle Norman only carried three lipstick shades. Each one was a special shade of red inspired by Hollywood glamour. To celebrate #90beautifulyears Merle Norman recreated those iconic shades in the modern Plush Lipstick formula.

Shop your favorite satin-matte formula in 3 NEW limited-edition Legendary reds specially encased in gold and silver.

A-LIST COCKTAILS FOR EVERY OCCASION

We have something to satisfy every taste, whether you are looking for shots with friends or casual drinks with family.

Barceló GRAN AÑEJO RUM

An outstanding blend of rums, aged in ex-bourbon barrels, ranging in age up to 6 years. It is uniquely different from other Dominican rums because it is made from the fermented juice of sugar cane and not from molasses. The result is a smoother, more well-rounded taste that showcases the true characteristics of the sugar cane.
