ALEN BREATHE SMART 75I

Air Purifier for Allergies & Dust

The 75i is ideal for large and open-concept spaces such as living rooms, apartments, offices, kitchens, master bedrooms, basements, and more. **\$750**

The most advanced and powerful medical-grade True HEPA (H13) purifier for an unmatched combination of room coverage and quietness.

Remove up to 99.99% of allergy causing particles as tiny as 0.1 microns, including dust, pollen, pet dander, and mold. Purify up to 1,300 SqFt every 30 minutes.

A pair of Master & Dynamic MW65 headphones with a brown leather headband and ear cups. The ear cups feature a silver-colored metal grille with a hexagonal logo in the center. The headphones are shown from a top-down perspective, casting a shadow on the white background.

MASTER & DYNAMIC MW65 HEADPHONES

Built for Life On-the-Go: The ultimate companion for your daily listening or travels, the MW65 is Master & Dynamic's lightest over-ear noise-cancelling wireless headphones and feature custom 40mm Beryllium drivers and Active Noise-Cancelling technology to produce an exceptional acoustic experience. These active noise-cancelling wireless headphones are the perfect match for audiophiles everywhere. **\$499**

512 AUDIO

512 Audio is on a mission to help creators sound better and connect bigger. Designed and developed by the same dedicated team behind Warm Audio's award-winning products.

LIMELIGHT

Dynamic Vocal XLR Microphone

With a modern design inside and out, Limelight delivers exceptional clarity for podcasts, broadcasts and livestreams. Limelight is a dynamic studio microphone custom-tuned for voice and speech.

Featuring a hyper-focused pickup pattern, built-in pop shield, and low frequency filter, Limelight captures the nuance in your voice and cuts out unwanted noise. Bring the clear, natural audio of the broadcast studio to your home setup. **\$200**

SKYLIGHT

*Large Diaphragm Studio
Condenser XLR Microphone*

Skylight delivers the richness and warmth you want to achieve for podcasts, musical vocals, and streaming. With a 34mm gold-plated condenser capsule, voice-tailored frequency response, and cardioid pickup pattern, Skylight captures your voice

with exceptional fullness and clarity. The included professional metal mesh pop filter and custom low-profile shockmount help your voice cut through the mix, free from distracting plosives or low-end rumble. Skylight delivers true studio sound, no studio required. **\$200**

NEATO 9

A deeper clean. The Neato D9 features 40% greater dirt pick up than Neato D5 and an easy-to-clean Ultra-Performance filter capturing up to 99.5% of allergens and fine dust particles as small as 10 microns. The pleated design allows for greater filtering surface area without sacrificing vacuum suction.

\$700

IGGI LAURASTAR STEAMS AND PURIFIES

IGGI is the first portable, handheld steamer that disinfects and decontaminates clothes, household fabrics, and everyday objects. Thanks to its hygienic Dry Microfine Steam (DMS), this steamer kills 99.9% of viruses (including the coronavirus), germs, and bacteria present in your home. As the IGGI is so manageable and powerful, allergies are reduced, providing you with a healthy living environment.

\$299

HUBBLE PURE

3-IN-1 AIR PURIFIER

The Hubble Pure 3-in-1 Air Purifier removes allergens, pet hair, dander, smoke, mold, odors, and large dust particles from the air to ensure that your sweet baby is breathing normally and safely. Includes a Bluetooth speaker and nightlight.

\$100
